Fees charged by a Provider for services other than a covered benefit must be paid in full by the Insured Person to the Provider. Such fees or materials are not covered under the Policy. Benefit allowances provide no remaining balance for future use within the same Benefit Frequency. No benefits will be paid for services or materials connected with or charges arising from: services or materials provided by any other group benefit plan providing vision care; medical and/or surgical treatment of the eye, eyes or supporting structures; services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof; orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses; any Vision Examination, or any corrective eyewear required by a Policyholder as a condition of employment; safety eyewear; non-prescription sunglasses; plano (non-prescription) lenses; two pair of glasses in lieu of bifocals; services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the Insured Person are within 31 days from the date of such order; or lost or broken lenses, frames, glasses, or contact lenses will not be replaced except in the next Benefit Frequency when Vision Materials would next become available. Member receives a 20% discount on items not covered by the plan at In-Network locations. Discount does not apply to Provider's professional services, or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see online provider locator to determine which participating providers have agreed to the discounted rate. Discounts on vision materials may not be ap
