Vision Summary Plan Description

Welcome to your Vision plan. This booklet, or Summary Plan Description (SPD), contains your vision plan details, and is something that you can refer back to when you have questions.

You might notice that this SPD looks different from the materials you normally receive from Collective Health. This is because the plan is administered by EyeMed, and the SPD was developed by them in conjunction with Specialized Bicycles.

The following is a summary of the vision care services for **Specialized Bicycle Components**.
This document is not the Summary Plan Description.

Benefit Information

Specialized Bicycle Components (hereinafter, "Employer") has selected EyeMed Vision Care, LLC ("EyeMed") to arrange for a vision care benefit (the "Benefit"). The Benefit provides coverage for routine vision exams, as well as eyeglasses and contact lenses.

This Summary reflects the Benefit that will be in effect beginning **01/01/2020**. As issues arise which are not specifically addressed in this Summary, the Claims Administrator will review whether coverage for such services will be included as a covered service under the Benefit.

Employer has delegated the responsibility of its claims determinations under the Benefit to First American Administrators, Inc., ("FAA"), a wholly-owned subsidiary of EyeMed. FAA has the discretionary authority to decide claims and appeals, including the authority to interpret the relevant provisions of the Benefit and the authority to grant and/or deny any and all claims for the vision Benefits.

This Summary is based on the official Benefit documents. If there is a disagreement between the information contained in this Summary and the official Benefit documents, the Benefit documents will govern. This Summary describes the current vision Benefit. Except as prohibited by law, or by the terms of a collective bargaining agreement, Employer may amend or terminate the Benefit.

This Summary does not address Benefit eligibility. Eligibility decisions are solely and exclusively determined by Employer.

The EyeMed Network

EyeMed's network of providers includes private practitioners, as well as the nation's premier retailers, LensCrafters®, Target Optical and most Pearle Vision locations. To locate EyeMed Vision Care providers near you, visit www.eyemed.com and choose the **Insight Network**. You may also call EyeMed's Customer Care Center at **1-866-804-0982**. EyeMed's Customer Care Center can be reached Monday through Saturday 7:30 am to 11:00 pm EST and Sunday 11:00 am to 8:00 EST.

Using In-Network Providers

When making an appointment with the provider of your choice, identify yourself as an EyeMed member and provide your name and the name of your organization or Benefit number, located on the front of your ID card. Confirm the provider is an in-network provider for the Network. While your ID card is not necessary to receive services, it is helpful to present your EyeMed Vision Care ID card to identify you as a Plan member.

When you receive services at a participating EyeMed Network Provider, the provider will file your claim. You will have to pay the cost of any services or eyewear that exceeds any

allowances, and any applicable co-payments. You will also owe state tax, if applicable, and the cost of non-covered expenses (for example, vision perception training).

Using Out-of-Network Providers

If you receive services from an out-of-network Provider, you will pay for the full cost at the point of service. You will be reimbursed up to the maximums as outlined in the Summary of Vision Care Services. To receive your out-of-network reimbursement, complete and sign an out-of-network claim form, attach your itemized receipts and send to:

FAA/EyeMed Vision Care
 Attn: OON Claims
 P.O. Box 8504
 Mason, OH 45040-7111

For your convenience, a FAA/EyeMed out-of-network claim can be completed online. Please [click here](#).

You may also print a claim form and email it to us at oonclaims@eyemed.com or call the EyeMed's Customer Care Center at **1-866-723-0513**.
